CLUBS HOLD COUNTY WIDE MEETING

GOOD CROWD HEARS RICHARDSON AT BEATTIE

The brisk Texas norther failed to dampen the enthusiasm of the county wide rally of the community clubs held at Beattie Friday night, although cutting down somewhat the expected attendance, never the less, their splendid community auditorium was comfortably filled with people, including delegates from points as far as Energy and Lamkin.

LIONS SPONSOR BOY SCOUT MOVE

By a unanimous vote the Comanche Lions Club agreed to sponsor the Comanche Boy Scouts club during the year 1928 and a committee was appointed to work in conjunction with Scoutmaster Noel P. Wilkinson and Assistant Scoutmaster J. B. Allcorn.

The Comanche troupe, according to Rev. Wilkinson, is planning increased activities during the current year.

Comanche may become a part of a District Boy Scout Council consisting of Brown, Mills, Comanche, San Sabba, Erath and Lampasas counties as a result of another movement in behalf of the boy scouts started at the banquet Monday by Lions Club, Ellis and Brunberg of Brownwood who visited the Lions Club and who urged that Comanche join the proposed new organization.

If the movement is put over a full time district director for the six counties would be employed, Mr. Brumberg said, dividing his time equally among the different troupes.

A committee consisting of George E. Smith, Chairman; Jim Slack, Finance Chairman; W. H. Carpenter, Publicity Chairman; Wade Everidge and Jerome P. Kearby were appointed to consider the possibilities of Comanche joining the organization.

Baggett Church Has Dedication

County Missionary W. A. Thornton preached the dedicatory sermon for the Missionary Baptist Church at Baggett Sunday morning before a large audience.

The church which was organized a half century ago, had abandoned their old building and for the past few years had worshipped in the school building.

The old building, which was a two story structure with an abandoned woodman hall in the second story, was recently torn down and entirely rebuilt into a modern house of worship.

The services Sunday were in the nature of a re-dedication and is an outward sign of the new life which the church has taken on, according to Rev. Thornton.

Celebrate Golden Wedding

Mr. and Mrs. S. J. Cockrell

Mr. and Mrs. S. J. Cockrell celebrated their fiftieth wedding anniversary at their home in South Comanche Friday with a dinner party when some of their children, grand children and a number of friends gathered for the occasion.

J. A. Cockrell and family and Mr. and Mrs. Wington and their families were the only immediate members of the family that were able to attend the wedding anniversary, but Mr. and Mrs. E. L. Todd and a number of Comanche friends helped make the occasion a joyous affair.

Mr. Cockrell was born in Mississippi in June 1857 and Mrs. Cockrell was born in the same state, September 14, 1855. Thirty-two years ago they left Mississippi and settled in Brown County in the Elkins community where they lived until 1917 when they removed to Comanche.

Six children were born to Mr. and Mrs. Cockrell, all of who are living. They are Mrs. Bob Favor of Paducah, Texas; Jake Cockrell of San Gabriel, California; Mrs. J.W. Wigginton of Blanket; J. W. Cock-

CO. WOLF CLUB JOINS NEW ASS'N

The Comanche County wolf club became a part of the Heart of Texas Association at a meeting of representatives from a number of counties where wolf clubs have been organized according to Messrs Oscar Callaway, Ed Ligon, Trapper Joe Baker and Gerald Bryson and who were in attendance at the Brady meeting.

The Comanche County wolf club which maintains a full time trapper at the expense of its own membership has accomplished quite a good deal toward the extermination of predatory animals and those attending the Brady meeting expressed themselves as being keenly interested in the further development of associations in order to protect themselves from animals from adjoining counties.

Judge E. M. Davis of Brownwood was chosen President and H. Burks secretary of the association.

Accepts Highway Department Job

Allan Hart has accepted a position with the Engineering Division of the State Highway Department. Mr. Hart will have his headquarters at Waco though he will continue to reside here.

Farm Bureau To Give Picture Show

According to G. R. Pratt, secretary, the Comanche County Farm Bureau will give a free moving picture show at the Central Christian Church at Comanche, Thursday evening, February 2, the play being entitled "The Romance of Sleepy Valley."

PRIZES GIVEN FOR SOLUTION

Well, here it is! Turn to page 4 and see for yourself. The most unique and the most interesting prize contest that was ever staged by the Chief is found here. You will say so yourself after you have looked it over.

Did you ever work a crossword puzzle? Most of us have. But we are going to pay you to work this one and it is one of the most simple that has ever been written. However, that is not where the fun is. In each of the advertisements on this page will be found most of the words in the puzzle. All you have to do is find words in the ads that fit the definitions of those in the puzzle, place them in the spaces, working the crossword puzzle correctly. When this is done list the words found in each ad giving the name of the advertiser and the words found in his ad that are also found in the puzzle. The first one received in this office that approaches the correct will be awarded the first prize; the second correct, the second prize and so on.

The prizes to be awarded are as follows: First, \$5.00; Second \$3.00; third, one year's subscription to the Chief; fourth, \$1.00 in cash; and the fifth, \$1.00 in cash.

On next week a corrected puzzle will be run on this page together with all the words in the separate ads showing where you made your mistakes. So get busy. You may be the one to win the first prize.

Will Stage Play At Mercers Gap

"Am I Intruding?" A modern three act comedy, will be presented at the Baptist Church of Mercers Gap, Saturday night, January 23 at 8 o'clock.

ASSOCIATION FORMED TO PUSH HIGHWAY COMPLETION

SET DATES FOR COUNTY MEET

The executive committee of the Comanche County Interscholastic League met at the high school auditorium Saturday afternoon and laid plans for the inter-school activities for the remainder of the school year.

Superintendent Culpepper of Proctor presided and other delegates present included: Supt. Russell of De Leon; J. F. Redwine of Brysonville; W. D. Jenkins of Comanche; Miss Pearl Sloan and W. R. Heiser of Comyn; John C. Grant of Comanche; and J. B. Cooper of Sidney.

A great year for interscholastic work is predicted by the committee which plans enlarged activities for the league.

The date for the county meet was fixed for Friday and Saturday March 23 and 24.

May Consolidate Two Co. Schools

Buffalo school district may be consolidated with the Proctor Independent School District, if plans under consideration can be arranged upon, according to County Superintendent R. S. Walker who was called to Proctor Tuesday to discuss the situation and consolidation methods.

Opens Auto Paint And Top Shop

An auto paint and top repair shop has been opened in Comanche by F. R. Perkins, in the sales room of Clark's Garage off the northwest corner of the square.

Mr. Perkins comes to Comanche from Waxahachie and previously was at Hamilton.

Jno. H. Harris wants all your chickens, eggs and cream. Highest prices paid at all times.

METHODIST CIRCUIT NEWS

There will be preaching at 11 a. m. and 7 p. m. at Harmony. Afternoon service at 3 p. m. at White Point.

J. L. RAY Pastor

Official designation of the last stretch of Highway No. 10 between Fort Worth and Del Rio will be asked of the Highway Commission according to plans perfected at the meeting of the Highway No. 10 association in meeting at Brady last Friday.

The portion that has not been designated is from Brady to a point connecting with the Mason and Junction Highway and the official designation will be asked as from Brady through Hext to London as an intersection of this road.

Want Paved Road

Plans of the Association include an effort to secure a hard surfaced highway from Fort Worth to Del Rio a portion of which is already completed or under construction through Tarrant and Hood Counties.

A special effort will be made to have that portion of the road across Erath County "Hot Topped" it being already hard surfaced. Plans are under way in Brown county to take care of the portion of the Highway that crosses that county and before summer some definite steps will in all probability be taken toward that end. The Comanche County portion will be much improved or a grade completely built during the spring, dependent upon how plans are worked out with the Highway Department.

Will Hold Meetings

Meetings will be held in the interested towns according to H. Burks, Secretary of the Association in an effort to stimulate interest in the towns along the route.

Highway No. 10 was among the first well defined highways ever attempted in the State and it was largely due to Mr. Burks efforts that the work through Hood and Erath as well as in Comanche counties was pushed to the extent that they are and he will now devote his efforts in the furtherance of the road.

Dr. J. R. Rush Dies at Gorman

Dr. J. R. Rush, well known physician of this section died at his residence in Gorman Monday, the funeral services and interment taking place in that city Tuesday afternoon.

Dr. Rush who was a pioneer physician of this section in the late nineties lived in Comanche, being a partner with Dr. J. F. McCarty. He later moved to De Leon where he practiced for a number of years, then moving to West Texas, and later relocating at Gorman.

HIGGINBOTHAM'S

G. F. PURCELL BURIED AT LAMKIN

(Contributed)

Grandfather G. F. Purcell 86, who was usually called "Uncle George" by his intimate friends passed away Jan. 23, 1928, at the home of his son, C. L. Purcell in Stamford, his remains were brought here for burial in the Toller Cemetery two miles east of Lamkin. The funeral services were conducted jointly by Elder Walter Cook of Ozona, D.W. Black of Stamford and concluded by A. C. Huff of Lamkin, in the Christian Church at Lamkin Saturday at 11 a. m.

"Uncle George" was a native of Illinois, born Aug. 25, 1841. He came to Texas when he was 13, and resided in Comanche County 46 years. He had been making his home the past year in Stamford with his son, Charlie.

He was a minister of the Church of Christ, having preached the word of God for 30 years, until he became unable to fill an appointment. Elder Cook said during the time he was holding the funeral rites that Bro. Purcell sent him to fill one of his appointments when he was quite young, this being his first effort to proclaim for the Master, he felt very weak in the cause, but Bro. Purcell gave him words of encouragement which had caused him to be strong and courageous and to continue to preach the Gospel.

He was another one of the sturdy self-sacrificing old confederates, who by their bravery, honesty and nobility of character are lived and respected by all who know them.

"Uncle George" served in the Southern Army 3 years and 8 months. During that time he was in the infantry 6 months and in the cavalry three years and two months. He volunteered his service to the Civil War in 1861 and while in the cavalry his horse was wounded while he was riding him, but was never wounded himself.

"Uncle George" had many friends here who with his children will miss him. His grave was covered with beautiful floral offerings. He is survived by four children: C. L. Purcell of Stamford; Oscar Purcell of Ardmore, Oklahoma; Mrs. P. H. Tally of near Abilene; and Mrs. J. L. Tally of Lamkin. All of whom were present with a great number of grandchildren except one daughter, Mrs. P. H. Tally of near Abilene. His wife died Jan. 3, 1892.

Short Minutes—Long Hours

—There are a few minutes each day—just a few—when everybody wants the service of his telephone company. This is during the rush period when people are all needing the service at one time.

—While this rush period lasts but a few minutes each day, the between-time lull covers hours. But expensive plants must be maintained ready to serve during the dull hours and employees must be paid just as though all the time were rush time.

—A public utility service must always be equal to its maximum ability whether that ability be demanded for ten minutes or twenty-four hours.

—Did you ever ponder this aspect of the telephone industry.

CELEBRATES BIRTHDAY
WITH LONG HIKE

"Uncle John" Floyd, resident of
Comanche county for the past forty
years celebrated his seventy-fifth
birthday on last Tuesday Jan. 21 by
doing a Marathon that would do
credit to those of this present gen-
eration who are fifty years younger.
Tuesday to prove to his friends
that he is still young and that he
is still possessed of all his old time
vigor and endurance "Uncle John"
walked from his residence near Sid-
ney to Comanche, a distance of 17
miles, making the trip in less than
six hours.

"Uncle John" who is a Georgi-
an by birth says that hard work
is the best health rule and that in
his younger days while doing pion-
eer railroad work he got plenty of
that.

CENTRAL CHRISTIAN CHURCH

All services Sunday were inter-
esting and helpful. There seems to
be a definite renewal of interest on
the part of many of our numbers.
This feeling should possess the en-
tire membership in order to make
the church the power that it ought
to be. There were two additions to
the church Sunday.

The Junior Class, taught by Mrs.
M. J. Sullivan, won the attendance
banner Sunday, having an atten-
dance equal to its enrollment. This
class will furnish some special fea-
ture during the closing exercises
Sunday.

In accord with the newly adopted
custom of the church all offerings
Sunday from both Sunday School
and church services will put into
the hands of home missions superin-
tendent for the evangelization of
Texas. Every member should have
a part in this offering.

Sunday morning the pastor will
speak on the Loyal Church. The
evening service will be in the na-
ture of an anniversary occasion. 12
years ago Jan. 23 the pastor preach-
ed his first sermon, and Sunday
night the message will be upon the
same subject and text as that in-
itial effort. The sermon outline
used on that occasion will be on
display, likewise the testament the
pastor used on his "first trip to
the country" to preach, and which
he carried through the University
in his pocket.

These services are open to all.
We extend to all our friends a cor-
dial invitation to worship with us
whenever it is convenient. We pray
for the Lord's blessing to be upon
all the churches of our town.

BLANTON WILL RUN FOR SENATE

Hon. Thomas L. Blanton, congressman from this district, last week under a Washington date line definitely announced his candidacy for the United States Senate, contesting the seat now held by Senator Earle Mayfield.

Blanton will oppose in addition to Mayfield, several other candidates including Alvin M. Owsley of Dallas, former Commander of the American Legion, Mrs. Minnie F. Cunningham of Houston, Mrs. Hal H. Savier of Austin, ex-Governor Oscar Colquitt, Congressman Tom Connelley of Waco and likely several others.

A number of candidates are expected to announce for the place

now held by Blanton. Among those having been mentioned are N. N. Rosenquest of Eastland; R. Q. Lee of Cisco; H. H. Hagman of Ranger; J. R. Stubblefield of Eastland and Judge W. R. Ely of Abilene.

Woodward Will Not Run For Congress

State Senator Walter C. Woodward is not a candidate for Congress from the Seventeenth District, despite recent reports that he would seek the post to be vacated by Thos. L. Blanton.

Senator Woodward in a statement reported in the Brownwood Bulletin says: "Rumors that I am a candidate for Congress are unfounded. I am not a candidate. I do not want the office. I cannot afford to surrender my law practice and my own private affairs, and so far as I am concerned, the field is wide open."

Sidney 4-H Club More Than Pays

The members of the Sidney 4-H Club made a profit of \$934.88 on their projects during 1927, the highest profit by any one individual being \$255.10 by Hannah Lou Donaho on turkeys. A complete summary of the activities of the club as given by Ned Donaho at the community meeting at Sidney Tuesday night is given below:

Report of 4-H of Sidney of 1927. This club consists of 60 members, 52 of this number turned in record books. Total profits amounted to \$934.88. Profits per project to \$18.00, individual profits were: Renold Steele, peanuts, 65 bushels per acre, profits amounting to \$69.50. Ralph Statom 11 tons of maize on 5 acres \$185.15; Virginia Hall, tomatoes, \$34.20; Mousell Statom, cotton, \$66.95; Jack Hendrix, sweet potatoes, 53 bushels \$41.00; Juliet Par-

sons, white Leghorns, \$36.85; Hannah Lou Donaho, turkeys, \$255.10; Doman Hall, pig, \$27.45.

We entered egg show at Comanche last spring, Lela Ward and Monselle Statom won a prize.

Jack Winningham and Monselle Statom won a prize at County fair. Ralph Statom won a trip to the A. & M. Short Course on terracing. Jack Hendrix, Ned Donaho, and Ralph Statom won a trip to Dallas Fair on their respective projects.

John Sullivan, Daniel Baker student, has been elected track coach of the Hill Billy cinder artists for this year, and announces the opening of the regular training season immediately after the close of the first semester, or about January 28. Sullivan has lettered in track at Daniel Baker in the past and has had a world of experience in high school track work. In addition to his feats on the cinder paths Sullivan has lettered in football with Hill Billies, and coached the Baker Scrubs the past year.—Brownwood Bulletin.

New Equipment To Add Service

Improved service over the Comanche telephone lines was accomplished this week, according to the manager, W. P. Duckett, when the Telephone company installed six sets of a new type of battery in connection with the switch board.

This will enable local and long distance calls to be understood much plainer, eliminating most of the repeating even from calls hundreds of miles distant; it will also take out the "chatter" and enable central to be heard more distinctly, Mr. Duckett said.

This is in line with a number of other improvements which the company is making and expects to make from time to time.

We make all kinds of rubber stamps—Prompt service. Lowest prices. The Comanche Chief.

Beattie Churches Being Repaired

The Beattie community is engaged in a church building program. Recently the Baptist Church building was weatherboarded, repaired, and equipped with new windows.

Further plans are to complete the building by painting the inside and make other interior improvements. Work is to start soon on remodeling the Methodist Church, the plan calling for the old building to be torn entirely down and rebuilt. Part of money has already been raised for this purpose and a campaign is being waged to secure additional funds. The young people are planning a play to assist in the campaign.

Each Turkey Earns Eighty Dollars

Mr. and Mrs. J. A. McKinzie on their farm 8 miles south of Comanche, realized a profit of over \$80 per hen on their turkey raising project during 1927.

Starting in the turkey business last spring with ten hens and a tom they sold \$718.44 worth of turkeys at the prevailing market price for eating turkeys and kept back 20 young hens for breeding purposes worth easily five dollars a piece, and two extra fine toms, \$7.50 each making the total income from the increase of the original ten hens amount to \$833.44 or \$83.35 per hen.

Mr. McKinzie says they did this with no extraordinary good success in raising the turkeys, having lost six of their early hatchings, and marketing 140 at an average of a little over \$5.00 per turkey.

Commissioners Endorse Plans For Wolf Club

The Brown county commissioners court met in regular session Monday morning and Judge Davis, recently elected president of the Heart of Texas Wolf club, presented the matter of organizing a wolf club in Brown county but no action was taken other than to endorse the project. All members of the court seemed to favor helping financially with the county. It was indicated that the court would give up to \$1,000 for this purpose, this amount being about one-third the estimated cost for operating the club for one year. The state gives an equal amount and ranchmen give the remaining one-third.—Brownwood Bulletin.

Twaddell of Portland, Oregon, and Mrs. Joe Tupin, who served a refreshment plate of cherry salad, olives, potato chips, sugar wafers and coffee at the conclusion of the games.

FOR WORKING PEOPLE

The best of workers get out of bed when the liver fails to act. They feel languid, half-sick, "tired" and discouraged and think they are getting lazy. A lot of these symptoms might result in a real spell, therefore the people must take a dose or two of Hering's. It is the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Per bottle.

IT DRIVES OUT WORMS

The surest sign of worms in children is weakness, lack of interest in play, fretfulness, variable appetite, picking at the nose and sudden starting in sleep. When these symptoms appear it is time to give White's Cream Vermifuge. A few doses drives out the worms and puts the little one on the road to health again. White's Cream Vermifuge has a record of fifty years of successful use. Price 35c. Sold by

W. L. RANDALS

(Contributed)

In Christmas week, that season of home-coming, Will Randals went home—not to the home of his youth nor of his mature years, but to the eternal home of the soul. For something near half a century, he had walked the every-day path of life with common folk, had shared the burdens, the sorrows, and the small triumphs that make up the sum of humble living. When he left this plane of existence, he left it as one of the millions of the great middle class of upright, respected, useful American citizens. He had attained no pinnacle of fame nor position of power and wealth, but for that very reason, his life is a worth while thing to the rest of us. He spoke a language and followed a course not beyond the grasp of the average man. And yet, after all, how much of what is best in life he attained.

In his business and social relation his courtesy was marked and un-failing. No person came into his presence without feeling an uplifted because of his ready sympathy, his understanding response and his heartening smile. He sounded no low notes of pessimism and discouragement, but masked his own word.

Because the confidences of heart to heart are not often revealed, no one will ever know in how many cases his sympathy lightened the burden of others and brightened their way. But enough instances have been related to his family and friends to prove that this was his daily service. When there was need, he gave willingly, not only of encouragement, but of helpful council and of material assistance.

To the members of his fathers family, he was always a loving son and brother. In his own home his courtesy, consideration, and unselfishness were unfailing. Even those related to him by legal ties only, depended upon him in a marked degree, and sadly miss his cheerful and willing service for their comfort and pleasure. While his passing is a real loss to a large circle of friends, still it is in his home that his going is as the falling of a mighty oak "that leaves a vacant space against the sky."

He was not spared for a long life, but: "We live in deeds, not years; in thoughts, not breaths; in feelings, not in figures on a dial. We should count time by heartthrob. He lives most who thinks most, feels the noblest, acts the best."

These things Will Randals did, and in the understanding of the all wise Father, his life was a poem that needed not old age to complete

Long Troubled by Constipation

"Black-Draught has been a family medicine with us for fifteen years," says Mr. F. M. Huntley, of Neosho, Mo. "I read about it first in the Ladies Birth-day Almanac and what I read there sounded so convincing I made up my mind to try Black-Draught, as I had been troubled with constipation for a long time."

"I found Black-Draught to be the ideal medicine for this trouble. It gave me quick relief. Frequently I had bad headaches and pains, due to toxic poison. By taking a course of Black-Draught I gave my system a thorough cleansing, and I have had little or no trouble since then."

"Now, if I am becoming constipated, I take several small doses of Black-Draught, and am very soon feeling fine."

ENERGY

On Thursday afternoon January 19, the P.T.A. met in the home of Miss Vera Middleton. There were about fifteen members present and quilting was done after which refreshments were served.

The 4-H members also held a meeting on Thursday afternoon, for the purpose of enrolling the members for the new members for the new year of 1925. There are 20 members enrolled most of whom are selecting their projects and seem to be taking even greater interest than was manifested last year.

Although the third Friday night in each month is our regular meeting night, the meeting was postponed until the following night in order that all who could visit Beattie. There were 18 present from this place and each one reported as having a very enjoyable time each minute of their stay. I think this meeting will be an inspiration to all who went, especially in their club work, I only wish that more could have gone from this place.

The following night the community and 4-H Clubs met at the school building for a social. After the business had been attended to sandwiches, pies, cakes, and coffee and hot chocolate were served to all. But before the servings, reports were made on what was seen and heard the previous night at Beattie. Everyone reported a very enjoyable time.

Mr. Barton McPherson visited home folks this week end.

Misses Vera and Pearl Adams from Sipe Springs were visitors in the home of Mr. and Mrs. Walter Adams this week end.

On Monday January 16 the men of this community met and plowed for Mrs. Tom Knapp, also of this community. Each man carried his lunch and feed for his team so as not to be any trouble and expense to Mrs. Knapp.

Sunday night, January 22, Mr. and Mrs. P. J. Cox entertained the young people with a singing. Every one reported a nice time.

MOVING by truck is quicker and cheaper. We go everywhere. Burks and Son. (tf)

BEATTIE

The community meet here Friday night was attended by a large crowd. Reports were made by officials from almost all the clubs in the county. All reports show that every club is progressing.

T. C. Richardson, Field Editor of Farm and Ranch, made a very nice talk which was enjoyed by a short program was presented by the student body.

On account of the cold weather, singing here Saturday night was attended by a very few.

The pupils of this school are studying for the contests at the Interscholastic League Meet. Quite a few are trying out for declamation, spelling and Arithmetic and of course they are preparing for the track events. We are hoping to win the prize.

Two of Miss Tana Barbee's friends from Jackson College spent this week end here. They, and some of Miss Barbee's Beattie friends spent Sunday at the Narrows. All report a nice picnic.

Miss Annie Robertson is now in the Gorman Sanitarium. She was operated on Sunday for appendicitis.

Hugh Williams was a week end visitor in Dallas.

GOOD CROWD HEARS RICHARDSON AT BEATTIE

(Continued from first page)

and six teachers were employed. 4 additional class rooms, an industrial work shop, and the community auditorium have been built, and \$2,500 has been voted in bonds to beautify and improve the school campus. The plans include to eventually annex more outlying territory, he said, and laughingly added, finally the schools at Comanche and De Leon.

L. R. Williams, reporting for the road committee, stated that plans called for widening and improving the road from Beattie to the road built by Commissioner Morris from the Precinct No. 1 boundary toward Comanche.

Other committees reporting from Beattie were Elmer Holden on certified seed, Miss Lois Robinson on social affairs, and S. L. Nelson on community church work.

At the conclusion of the Beattie program, delegates from other communities reported on the progress made in 1927 by their clubs, including C. S. Dry and W. R. Heiser of Comyn, Mrs. Troy Morgan, Miss Lena Boydston, Energy, Superintendent Sparks of Lamkin, Mr. Miller and Miss Myrtle Moore from Newburg, and Miss Alvia Taylor from Sidney.

Following the program by the county delegates a most interesting entertainment was given by the Beattie people, as follows:

Reading by Redie Green; reading by Cecil Fisher; Aunties Doll by Wade Butler; Estilene Andress and Harvey Moore; song by the Junior Choir; health stunt, making the short long and the long short, by the high school; Quartet, Sail away Home.

Good Crowd Greets Richardson At Comyn

T. C. Richardson, Field Editor of the Texas Farm and Ranch, continuing his visits to the community clubs of Comanche County said in the meeting at Comyn Thursday night of last week, that during his travels, in four states during the

five years he had been with the Farm and Ranch it never had been his privilege to hear a better program than was rendered that night by the public school pupils of Comyn. The splendid school plant was also characterized as one of the best buildings in the rural sections of the south, Mr. Richardson stating that fifty years ago such a building could not be found in Texas west of Dallas.

The program began with C. S. Dry presiding, who after several community problems had been discussed, gave a short summary of the work the club was doing and told of some of the things which they had hoped to accomplish during the present year.

The program rendered by the school children was supplemented by excellent music by the Rippeto Quartet and the following numbers: Song by the Junior Glee Club; Trial for the Murder of King Engrish by the pupils of the eighth grade; reading by Gladys Swedeen; grade; reading by Mrs. Havis; Song by reading by Mrs. Havis; reading by Miss Willis; musical reading by Naomi Caraway; reading by Kirk Doggett; Illustrated song by 7 girls.

Mrs. A. E. Acton Buried Thursday

Mrs. A. E. Acton, for forty years a citizen of Comanche, died at the home of her daughter, Mrs. Harry Hall at Carbon, Wednesday, Jan. 25 1928, having passed the Biblical age of three score and ten years.

Her body was brought to Comanche for burial, interment being made at two o'clock in Oakwood Cemetery Dr. Forrest Maddox, pastor of the First Baptist church of which she was a member, conducting the services.

Nearly a half century ago, Dr. and Mrs. Acton came to Comanche from Groesbeck, Dr. Acton practicing dentistry here until his death about 12 years ago. Mrs. Acton, who owned a home in Comanche at the time of her death, lived here until two years ago, when she went to Carbon to live with Mrs. Hall by whom she is survived along with one son, Albert of Tulsa, Okla.

Dr. and Mrs. Acton belonged to the sturdy class of citizens and her death marks the passing of one of the county's worthy mothers.

TEST OF PEANUT HAY FOR FEED VALUE AT BROWNWOOD

Hilton Burks, secretary of the Brownwood Chamber of Commerce, is shipping a car load of peanut hay from his Comanche county farm to Shelton Brothers dairy of Brownwood, in order to make a comparative test of the food value of the hay with Alfalfa hay. Approximately

300 bales of hay is included in this shipment.

Shelton Brothers will have the hay ground, as Alfalfa is, and cows will be fed the peanut hay product in the same proportions as they now feed the Alfalfa grindings. This being done in order to determine the relative value of the two foods.

Mr. Burks is of the opinion that the growing of peanuts in the sandy land sections of the county will prove more profitable as a money crop than cotton. He states that he has realized a revenue of approximately \$30 per acre from peanuts grown on his farm in Comanche county, more per acre than he realizes from cotton grown under the same conditions and on the same land.

The result of the test being made by Shelton Brothers will be made public, according to Mr. Burks.
